

the path of excess may yet lead to a place of wisdom

why fight freedom?

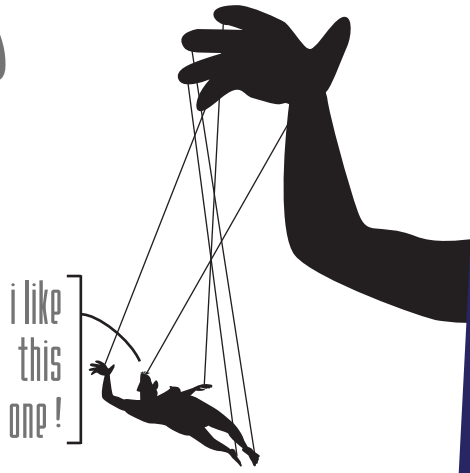

now in limited supply: osmosis flying lessons

often
clearly
the
coddled
identity
tv
is my
slave
thinks
thoughts

target
market

cheap & dirty
mutant
skills

the knowing star in the self directed movie of my mediated life

too much freedom can be unsafe, however

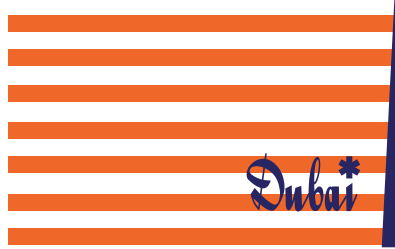

panel says government of elite experts will save us all

we can answer these questions for you:
has trying to fit in worked for me?
does it help to mutate?
how much does it cost?
why are there no millionaires on death row?
who defines and evaluates my attributes?

remember to
pray during
curfew hours

one
of
usa

stay strong:
fall down
seven times
stand up eight

idle minds are easy

ok!
